Yeah, I wanna have the time  
And I wanna see you cry  
I wanna feel your body  
And I wanna get closer

Gotta rescue me, rescue me, rescue me  
Let me have a good time

And I wanna see you laughin'  
And I wanna feel rain  
I wanna get inside you  
And I wanna feel pain

You gotta rescue me, rescue me, rescue me  
Let me have a good time

And I wanna feel you movin'  
And I wanna feel good  
I wanna feel your love for sure

Let your, let your, let your amazement grow  
Let your, let your, let your amazement grow  
Oh, whatever you do, I can't leave you  
Don't ever let me go, don't ever let me go

Yeah, I wanna be hungry  
And I wanna ask why  
I wanna be dreaming  
And I wanna satisfy

You gotta rescue me, rescue me, rescue me  
Let me have a good time

And I wanna be loved  
And I wanna be high  
I wanna feel you touch me  
And I wanna hear you sigh

You gotta rescue me, rescue me, rescue me  
Let me have a good time

And I wanna feel you movin'

And I wanna feel good  
I wanna feel your love for sure

Let your, let your, let your amazement grow  
Let your, let your, let your amazement grow  
Oh, whatever you do, I can't leave you  
Don't ever let me go, don't ever let me go

Let your, let your, let your  
Let your, let your, let your

Let your, let your, let your amazement grow  
Let your, let your, let your amazement grow  
Oh, whatever you do, I can't leave you  
Don't ever let me go, don't ever let me go
