[Verse:1]

Time to break you off  
And let you know  
Boy you  
Ride me into you  
And that's for sure  
When you  
Put your hands on me  
It turns me on  
I'm not  
Bout to drop my secrets  
On the floor cause

[Hook]

Something bout the way  
You make me feel i  
Lose control  
For you  
I don't know what to do  
I can't explain the way  
You make me feel boy  
The things I wanna do  
I can't wait  
Until I get you  
In my room

[Chorus]

Ahh, ahhh  
I'm jus tryna be  
Down wit you baby  
Ahh, ahh  
So many things  
I wanna do  
Ahh ahh  
See i'm jus' trying  
To be real wit you  
Ahh, ahh  
I jus' wanna  
Rock wit you

[Verse:2]

Now it's getting

Awfully hot in here  
And your  
Rubbin' down my back  
Whose that  
Tell me  
Do you hear what I hear  
Sounds like someones  
Trying  
To get up in here

[Hook]  
Something bout the way  
You make me feel i  
Lose control  
For you  
I don't know what to do  
I can't explain the way  
You make me feel boy  
The things I wanna do  
I can't wait  
Until i get you  
In my room

[Chorus:2x]  
Ahh, ahhh  
I'm jus tryna be  
Down wit you baby  
Ahh, ahh  
So many things  
I wanna do  
Ahh, ahh  
See i'm jus trying  
To be real wit you  
Ahh, ahh  
I jus' wanna  
Rock wit you

[Bridge]  
You gotta go  
Cause if they  
Catch together  
Baby you know  
That were doing wrong  
Here they come  
You better run

[J-hood]  
[Chorus:2x]
