[Ra Shawn]

NAH! don't talk, just strip for me
Come on and do it like Shakira, move them hips for me
Don't lie, Ima throw you on the bed, would you like that
See baby you should stay the evening, lil night cap

My tongue on yo neck, down yo spine to yo dimples
I ain't even touching, I'm blowing it's in ya mental
So once that back arch, I'm not even done
Ima need you to say my name, say some freak shhh to
my in tongues

You talkin bout a round 2, my first one not even finish
You talkin bout my length and you couldn't handle my
thickness
A few strokes and you finish, I work you out like fitness
Not everybody get it, if you do it's the business

My body is a stage, shorty just perform
Give me ya TLC and ya lovin I will Adorn
Ima slam you on that Matt, I ain't talkin bout Hardy
I'm dancing all on you cause yo body is my party

YA DIG!

[Ciara]

Boy you should know that your love is always on my
mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my
mind
I can't it deny it, I want you, I want you

I can't lie, I wont lie, it's amazing
My faces, the places, you're taking me

Baby take your time now, there's no need to rush
We can go another round, if that's what you want
Cause tonight is going down, tell your boys is going
down
We in the zone now, don't stop

You can keep your hands on me, touch me right there,
ride my body
I can't keep my hands off you, your body, is my body
I'm doing this little dance for you
You got me so excited
Now it's just me on you
Your body's my body, let's get it started

Boy you should know that your love is always on my
mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my
mind
I can't it deny it, I want you, I want you

The things I wanna do to you
My body's calling you
I'm having so much with you
Now it's just me on you
Your body's my body, let's get it started
