Its only been three months an I already got it bad  
So hood that I keep on comin back

But I'm tellin them baby bye fall back  
Hes so good an he knows how to love me  
But so hood an hes so heavy in the streets  
Hes mah dude an u betta get used to things  
And I don't care what you say about me  
They say

[Pre-Hook:]  
That he does it with the best, runs a lil less  
Padding on his chest (uh huh)  
I like it (so what), I like it  
And they say (that hes gonna hurt me)  
Just wait and see (but they don't know me)  
Cause I am what he wants his girl and I love it

[Hook:]  
I cant leave em alone  
I tried that good boy game  
But the dope boyz turing me on  
It's jus that he know what I want  
So bad, I love that, I cant leave em alone  
I cant leave em alone  
I tried that game

But the dope boyz turing me on  
It's jus that he know what I want  
So bad, I love that, I cant leave em alone

[Verse 2:]

So when I had a good guy he didnt do that much for  
me  
Tried to be hard but that he could neva be  
Always tell me that noone could compare to me  
But couldnt matta when other guy was starin at me  
Now the time plays back so everyone could look at me  
From the A to hill up in beverly  
He's so fly that he knows how to carry me  
First class when they talk we don't hear what they say

[Pre-Hook:]

That he does it with the best, runs a lil less  
Padding on his chest (uh huh)  
I like it (so what), I like it  
And they say (that hes gonna hurt me)  
Just wait and see (but they don't know me)  
Cause I am what he wants his girl and I love it (ooohh)

[Hook:]

I cant leave em alone  
I tried that good boy game  
But the dope boyz turing me on  
It's jus that he know what I want  
So bad, I love that, I cant leave em alone  
I cant leave em alone  
I tried that game  
But the dope boyz turing me on  
It's jus that he know what I want  
So bad, I love that, I cant leave em alone

[50 Cent:]

The more I get the more my ambition tells there more  
Ill move a A for that girl ill move ahead on that boy  
Then I flip that(double up) kick back(cuddle up)  
Ya friends try to confuse but you kno what  
My intentions are good, I cant help it I'm hood  
I wouldnt change if I could, you shouldnt tell me I  
should  
Baby you should take me as I am  
An be happy your my girl cause I'm happy I'm ya man

[Bridge: Ciara]

I can hear your call, it jus takes one call  
Ill come running, boy I promise I will be there for you  
All my heart it belongs to you  
I cant lose you, boy I just cant leave you alone

[Hook x2:]  
I cant leave em alone  
I tried that good boy game  
But the dope boyz turing me on  
It's jus that he know what I want  
So bad, I love that, I cant leave em alone  
I cant leave em alone  
I tried that game  
But the dope boyz turing me on  
It's jus that he know what I want
