The show don't stop we can go all night,
30min set and it feels so right.

First it started off with the hot red lights,
then we dim it down to the purple lights.

Flip it, rub it, trip it, love it.

Like it when I break it down.

Greatest show on earth.

Hottest ticket in town.

You like it when i turn around and put the arch in my
back.

I got some moves, put em on baby you gon like that.

I put it in we can dance all night,

Any requests? Tell me what you like.

I sing it, love it, trip it, rub it.
