(Verse 1)

Some things tellin' me that i should let u in.  
behind close doors, then the lights start to dim,  
dim it, dim it, now kill it in the room,  
I kiss the cologne on yo' neck, u kiss my perfume,  
The purple lights is all i see,  
cuz i see u in my dreams,  
I'm tryna' just let u be,  
But Daddy give it all to me,  
give it all to me,  
Yes thats what i mean,  
Your somethin' i want,  
but still somethin' i need,

(Hook)

Makin' Love (Love, Love)  
Has taken control,  
I need ya (ya, ya)  
Just to let u know,  
Don't move to slow,  
'Cuase i need ya' now,  
Do it 'til the sun turns on the moon,  
While wer alone in this dark, dark room,
