(Verse 1)

Some things tellin' me that i should let u in,
behind close doors, then the lights start to dim,
dim it, dim it, now kill it in the room,
I kiss the cologne on yo' neck, u kiss my perfume,
The purple lights is all i see,
cuz i see u in my dreams,
I'm tryna' just let u be,
But Daddy give it all to me,
give it all to me,
Yes that's what i mean,
Your somethin' i want,
but still somethin' i need,

(Hook)

Makin' Love (Love, Love)
Has taken control,
I need ya (ya, ya)
Just to let u know,
Don't move to slow,
'Cuase i need ya' now,
Do it 'til the sun turns on the moon,
While we're alone in this dark, dark room,
