I'ma a diva
I'ma, I'ma a diva
What's up world
Makes ya girls see
Sign in, yes, yo

Na na na diva is a female version of a hustla
Of a hustla, of a, of a hustla
Na na na diva is a female version of a hustla
Of a hustla, of a, of a hustla

I'll be that diva fly girl
Straight from the ATL
Georga Peach Fresh from the block
Yeah that girl fly as hell
Had to take a couple seconds
Now I'm back up on the scene
Got that good for the hood
For the burns and the streets

A lot of people talkin' ish
I don't really give an ish
I ain't goin' no where this diva for a minute
Yeah I know you know
About that diva, diva named B
While I'm at it
I'mma tell ya 'bout this diva named C

I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva

Na na na diva is a female version of a hustla
Of a hustla, of a, of a hustla
Na na na diva is a female version of a hustla
Of a hustla, of a, of a hustla

When I pull up in the rolls they see me(yes)
And you know I kepp it Lambo Gleamin(yes)
Yeah you know I hustle hard
And I know how to eat it
Live with the dope boys dreamin'(yes)
Gettin' money, CCB gettin' money
Work to hard for this right here
Baby you can't take nothing from me

Tell me somethin'
Where your boss at
You know me I got that paper
Yeah I'm 'bout that
I know how to please you
Cause I'm a keeper
I'm far from Boody but I'm a diva

I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva
I'ma, I'ma a diva

I'ma, I'ma a diva
I'ma, I'ma a diva
Now I'm wreckin' for my girls
I'ma, I'ma a diva
I'ma, I'ma a diva
Oh my divas, oh my divas, oh my
I'ma, I'ma a diva
