Don't be scared

Don't be scared

Don't be scared to love

Better to love than never love at all

Don't be scared

Don't be shy

Don't be shy

Don't be shy to tell

You may lose the chance to tell

Don't be shy

When your hearts are lit

Drop your survival kit

Then you never have to

/>Run or split

Sun in the east

Moon in the west

This boat's moving slow

There's no land in sight at all

Away we go

Don't be scared

Don't be scared

Don't be scared to love

It's better to love than never love at all

Don't be scared
