Yeah, yeaah  
It's me  
Your girl  
Ciaaraa  
Let's go

Boy come over here  
I heard you  
Got somethin' that  
Can make me scream  
Somethin that can make  
Forget bout my ex  
So why don't you come  
Over and give it to me  
Yeaaaah

Fantasy that's what you  
Wanna give to me

Fantasy baby  
That's what  
I want to give  
To you boy  
So if your ready let  
Me be your fantasy  
Booooy

You told me  
I was the love  
Of your life  
But after you said what  
You said you decided  
That a stripper was  
More your type  
How could you do  
This to me  
After all we've been  
Through all the love  
All the pain  
And the fantasy, baby

Fantasy that's what you

Wanna give to me

Fantasy baby that's what  
I want to give to you boy  
So if your ready let  
Me be your fantasy  
Boooooy

You told me you loved me  
Bow, but you did this to  
Me I just knew I should of  
Cheated when I had the  
Chance you knew  
How much I loved you  
But yet it seems  
You didn't love me  
How could you

Fantasy  
That's what you  
Wanna give to me

Fantasy baby  
That's what  
I want to give  
To you boy  
So if your ready let  
Me be your fantasy  
Boooooy  
In my last  
Album evolution  
I couldn't talk  
About this stuff  
But know  
I'm older and wiser  
But you know  
I still love you right  
I do and kills me  
But I'm ready  
To tell the world  
That your my baby  
Yeaaah  
Fantasy  
That's what you  
Wanna give to me

Fantasy baby  
That's what  
I want to give  
To you boy  
So if your ready let

Me be your fantasy  
Boooooy

Bye, boo
