I know you're lyin'  
But sometimes I wanna feel good deep inside it  
Hurts so bad but it feels so good I can't deny it  
Feels like heaven on Earth and the pain exemplifies it  
It keeps me quiet at night when

I love you flaws and all  
I need you flaws and all  
I waste my time flaws and all  
I don't my your flaws at all

I love the fightin' cause makin up makes me forget that  
I was cryin  
And breakin up makes perfect sense it sparks the fire  
You're such a liar, but you're my sweet desire  
And I just can't get enough of your love

I love you flaws and all  
I need you flaws and all  
I waste my time flaws and all

I don't my your flaws at all

I know your trying, so I aint givin up on you  
I'll wait I promise cause I got faith that one day you'll  
get it together  
Aint nothin' perfect but the way you put your lovin'  
down on me

I love you flaws and all  
I need you flaws and all  
I waste my time flaws and all  
I don't my your flaws at all

I love you flaws and all  
I need you flaws and all  
I waste my time flaws and all  
I don't my your flaws at all  
I need you.
