No I don't give up none of this mushy goodness in the parking lot. I don't give up this sweet thing for any lil' thing that you think you got. Why you wanna play like that? I don't even play like that. This aint your ordinary, it's extraordinary. I'ma need that.

I got money for days, but why spend my mine when I can spend your yours. Why drive mine when when I can drive yours. I got cars for days, but why drive mine when I can drive yours what type of girl, you take me for?

I need that money like I'm on the corner. Want that from me like I'm on the corner. Knee high boots like I'm on the corner Fish nets too, like i'm on the corner. She fine, but I'm gifted. Boy, watch what I can do with this. She fine, but I'm gifted. Boy, watch what I can do with this.

Yup Yup Yup.
