Do that Matrix part but don't fall

Ladies and Gentlemen  
Pay attention  
Ciara's what the game been missing  
I aint come here to play with ya'll  
And no i don't play no ball  
I just ball  
Drinks for all ya'll  
Gin Gell in it  
Put your cups up  
Say Jalle Sent it

You make look At me  
And think I'm just young girl  
But Im not just a young girl  
Baby This is what im lookin for  
A sexy independant  
Gotta spend it Type  
That's getting his dough  
Im not being too dramatic  
That's just how i gotta have it  
Chorus  
I bet you want the goodies  
Bet you thought about it  
Got you all hot and bothered  
May'b'cause i talked around it  
If you're lookin for the goodies  
Keep on looking cause they stay in the Jar  
Oh oh oh oh oh oh Yeah

Just because you drive a Benz  
Im not going home with you  
You wont get no nookie or cookies Im no rookie  
If you aint sexy, Independant, I aint wit it  
So you already know  
Im not being too dramatic  
That's just the way i gotta have it  
You may talk slick tryna hit  
But im not dumb  
Im not being too dramatic  
That's just the way (how) i gotta have it  
Chorus  
I bet you want the goodies  
Bet you thought about it  
Got your all hot and bothered  
Because i talk around it  
If you're lookin for the goodies  
Keep on looking cause they in the Jar  
Oh oh oh oh oh Yeah

You way too hot  
To keep the goodies on lock  
Call me the locksmith  
I got the key to that box  
I wanna see you next to me  
On that drop  
Chillin in Tahiti  
No shoes no socks  
Maybe in Jamicia  
Poppin bottles on the yacht  
Then dock it in Miami  
Brown hussle down stop  
Give it to me cause you want  
I aint working for it  
You can keep your shit  
Look at me  
You think im hurtin for it

Youre insinuation that im hot  
But these goodies boy are not  
Just for any of the men  
That's tryna get on top  
No you can't call me later  
And i don't want your number  
Im not changin stories  
Just respect the play im callin!

Chorus X's 2
