Ever since the other day I can't forget you
I never thought it'd be this way before I met you
You must be a superstar, yes you are
'Cause you got me open uhh and I never felt like this
I marked it down on the calendar baby
And I'll be counting down until we go out
We can do this again, because I love to pretend, I am
more than your friend
I'll be your new chick real quick

We got this, me and you whatever you wanna do
Just let me know what you want, baby I'll be more than
regular
More than spectacular, oh yeah, I'm talking incredible
Imagine you and me together

Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night
I'm what you're looking for, the homie and lover type
Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night,
I'm what you're looking for, the homie and lover type

I've been by myself for a while but now I'm ready
I will run and make it rain if you let me
Whatever you're going through, stressing you
Baby I'm telling you that I can make it all stop
I swear it ain't no drama when you're with me
I promise I will never play you out
We can do this again because I love to pretend, I am
more than your friend
I'll be your new chick real quick

We got this me and you ever you wanna do
Just let me know what you want, baby I'll be more than
regular
More than spectacular, oh yeah, I'm talking incredible,
oooh
Imagine you and me together

Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night
I'm what you're looking for the homie and lover type
Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night
I'm what you're looking for, the homie and lover type

We can hook up, anytime any weather
It's good now and it's lookin better
Got what you're looking for, you don't have to look no
more
Whatever it is, just let it flow
And put your trust in me, homie and lover type

Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night
I'm what you're looking for the homie and lover type
Ride out all day, bumpin' what you like
We can catch a matinee, if it's what you like
Football on Sunday, (I'll play those games with you
baby) Madden every night (we can wrestle)
I'm what you're looking for the homie and lover type

Ride out all day, bumpin' what you like
We can catch a matinee, if that's what you like
Football on Sunday, Madden every night
I'm what you're looking for the homie and lover type

Ride out all day, bumping what you like
We can catch a matinee baby, if it's what you like
Football on Sunday, Madden every night,
I'm what you're looking for the homie and lover type

(1-2-3-4) Ride out all day...(1-2-3-4) we can catch a
matinee
(1-2-3-oh) Football on Sunday...I'm what you're looking
for the homie and lover type
