What did I say to him last night?
I can't feel my face, tryna focus but my mind ain't
right
I remember the party, the DJ, my homies, my man and
me
But the rest of it's blurry, something I did made my
baby go away

Got the same clothes on today that I had on yesterday
What did I do? What I say? Man, I don't remember
Guess I had too much to drink 'cause I don't remember

Aww, my car ain't outside, how the hell did I get home?
Damn, did he drive me, drop me off, got his stuff and
got gone?
Can't call my homies 'cause I'm lookin' and I just can't
find my phone
I need to talk to somebody, somethin' I did made my
baby go away

Got the same clothes on today that I had on yesterday
What did I do? What I say? I don't remember
I guess I had too much to drink 'cause I don't
remember
Is he gone forever? Man, I don't know, I just don't
remember

Oh, ooh, uhh, wish I could playback from beginnin' to
the end
I think we started dancin', I kinda remember a kiss
there
What a cute bartender for the Remy, the Hiney with
Coke and gin
'Cause I'm not a drinker caught in the moment my baby
got away

Got the same clothes on today that I had on yesterday
What did I do? What I say? 'Cause I don't remember
Guess I had too much to drink 'cause I don't remember
Is he gone forever? Man, I don't know, I just don't
remember

Ooh, baby, so intoxicated, had enough
Oh, conversations, too much drinking
Having fun, what was I thinking?
Just celebrating, oh, please forgive me
Baby, I just don't remember
