I've been so many places,
I've seen so many things,
I've seen so many faces,
Been called so many names,
Kept getting into fights,
Just for staying in my lane,
Life's full of adversities,
You're real when u can stay the same,

Never thought in a million years (noooo) I would blow
up,
And be the one that carries the hood on ma shoulder,
And I'm the CEO call me the owner,
And I can do anything that I wanna,
And I never thought that I'd rather be flying high,
And I'd be gone,
You can call me Hollywood,
And tip my heart and see my home,
I'm just me,
A little G to the H,
E to the T,
T to the O,
Now tell me what you see,
I'm just Ghetto,
I'm just me,
I'm just me,

A little G to the H,
E to the T,
T to the O,
I'm just Ghetto,
I'm just me,
I'm just me,
(Listen),
Now when I'm going home,
Your screaming do your thing,
Doing commercials now,
I'm on the movie screen,
And all my fans are going out to buy my magazine,
Cover to cover, I'm being discovered they loving me,

Never though a million years I would blow up,

Be the one that carries the hood on ma shoulder,
And I'm the CEO call me the owner,
And I can do anything that I wanna,

They said that I would try so hard, to change my way,
You can call me Hollywood,
Cause in my heart I'm not the same,
Hey, hey..I'm just C,

A little G to the H,
E to the T,
T to the O,
Now tell me what you see,
I'm just ghetto, (I'm ghetto)
I'm just me,
I'm just me, (see)

A little G to the H,
E to the T,
T to the O,
Now tell me what you see,
I'm just ghetto, (Hey)
I'm just me,
I'm just me

It doesn't matter what you do, (Don't matter what you do)
Do you really always shine like blue, (S-S-Shine like the blue)
Who you are, (Who you are) it's what's going to get you far in life,
It's what's inside, (Hii)
Don't try to hide,(hide) it's alright, (right) hold on,
Because it's time for you to live your life,

HOoo

"You know what I believe,
I believe life's what you make it,
Let me tell you about destiny,
Its one thing I've lived by,
And it's so real"

Never though a million years I would blow up,
Be the one that carries the hood on the shoulder,
And I'm the CEO call me the owner,
And I can do anything that I wanna,

A little G to the H,
E to the T,
T to the O,

Now tell me what you see,
I'm just ghetto,
I'm just me,
I'm just me,

A little G to the H,
E to the T,
T to the O,
Now tell me what you see,
I'm just ghetto,
I'm just me,
I'm just me,

It doesn't matter (matter) what you do, (Don't matter
what you'd do)
Do you really always shine right through (S-S-Shine
right through)
Who you are, it's what's going to get you far in life,
It's what's inside, (HI)
Don't try to hide, (hide) it's alright, (right) hold on,
(oon)
Because it's time for you to live, (live) your life,

A little G to the H,
E to the T,
T to the O,
I'm just ghetto,
Now tell me what you see,
I'm just me,
I'm just me,

A little G to the H,
E to the T,
T to the O,
Now tell me what you see,
I'm just ghetto,
I'm just me,
I'm just me.
