C.I.A.R.A. (I.A.R.) [Repeat: x4]

I feel it, it's in me tonight  
I see this tonight, I'm pulling up  
I see him, he's walking out  
He gives me the eye, and he's a thug  
Today I'm 21  
I'm legal hey, and I'm free to run  
That's the one I met this morning  
Pulling me to the floor wanna get to know me

[Bridge]

I'm ready to have fun-lets bang the thing up  
But you gotta be prepared to get your weight up  
See I'm off the chain since I came up  
In the ATL is where it came from

[Chorus]

Bang it up boy goin' bang it up  
I'm full grown now you can go tear it up (bang it up)  
Bang it up boy goin' bang it up  
Last one I had on the floor couldn't do enough (bang it up)  
Bang it up boy goin' bang it up (bang it up)  
Bang it up boy goin' bang it up (bang it up)  
Don't talk about it boy be about it  
If you got it we can see about it shorty what's up

Wait a minute, no he didn't  
Y'all the DJ tried to slow it up  
Oh my bad, he didn't  
All he did was switched it up

See that, now you see that  
Cause this brother might make me start acting up  
That might make me start showing a side of me  
That ain't nobody here seen before

[Bridge]

[Chorus]

I see you out on the floor  
Actin' like you want more-never seen me before  
You like it-you know it don't ya  
You said you wanna know-what's taking me so long  
Since you've been patient- boy, you've got the right to?

[Chorus: x2]

When you know you want it  
Say get up on it  
When you know you want it  
Say get up on it

Bang it up, bang it up, bang it up [Repeat: x3]  
Bang it up, bang it up, bang, bang, bang  
Bang, bang, bang, bang-bang, bang, bang, bang,  
bang [Repeat: x2]
