Uh, come on, ooh wee  
Ladies and gentlemen (gentlemen, gentlemen)  
This is a jazzie fizzle, productshizzle (jazzie phay,  
jazzie phay)  
Oh boy  
Ciara (ooh), (a new era) a new era  
Futuristic daddy, oh boy

[verse 1]

So nice to meet yah  
Cause everything about cha says your my type and i  
love it  
So good to see yah  
Cause everything about you say your right and i like it  
I can't take my eyes off you  
Ooh ooh you got me  
Thinking what i might do if we (oohh)  
Leave here together  
Ohh honey you're so fine you're on my mind

[hook]

I aint gon lie you're kinda hot  
You got my attention and it takes a lot  
Baby you turn me on  
Im not gonna let you lone  
All i wanna do is get to know you better  
Im a ghetto girl that can do whatever  
Baby say it's all good  
Come on now i wish you would

[chorus]

Im looking at you  
Me, you, my girls, and your homeboys too  
I can dig that cause im into you  
So act like you hear me cause im hollerin at you  
So come on baby  
[repeat chorus]

[verse 2]

My deal baby  
I can hold you down if you let me  
Baby im a rider ohhh baby

And im a good girl  
And how im rolling you can't live without it  
Let me break it down  
Now your last girl she's in the past girl  
But if im next i swear I'll be your last girl  
Now don't you go thinking im a fast girl  
But im that girl (oh oh oh oh ohhh)

[repeat hook]  
[repeat chorus]

[bridge]  
And i know you're getting bored  
Yes you is, i can see it in your eyes  
That you need a girl whos gonna have you right by  
loving you baby  
(ooohh) i said it's real, how i feel  
I wont let you hide from me  
Cause i know that you're so right for me

[repeat chorus]
