(Verse 1)

Your touch is so magic to me
The strangest things can happen
The way that you react to me
I wanna do something you can't imagine
Imagine if there was a million me's talking sexy to you
like that
You think you can handle, boy
If I give you my squeeze and I need you to push it right
back

(Verse Break)

Baby, show me, show me
What's your favorite trick that you wanna use on me
And I'll volunteer
And I'll be flowing and going
Till clothing disappears, ain't nothing but shoes on me
Oh, baby

(Chorus)

All night, show it, just you and the crowd
Doing tricks you never seen
And I bet that I can make you believe
In love and sex and magic
So let me drive my body around you
I bet you know what I mean
Cause you know that I can make you believe
In love and sex and magic

(Verse 2)

Everything ain't what it seems
I wave my hands and I got you
And you feel so fly assisting me
But now it's my turn to watch you
I ain't gonna stop you if you wanna crowd my neck
Talk sexy to me like that
Just do what I taught you, girl

When I give you my heat and I need you to push it right
back

(Verse Break)

(Chorus)

(Bridge)

Oh, this is the part where we fall in love
Oh, let's slow it down so we fall in love
But don't stop what you're doing to me

(Chorus [2x])
