1, 2, 3 Go...

Ciara...

Sex...

Ciara...

Here we go, talk to 'em...

[Ciara]

Ya touch is so magic to me

Strangest things can happen

The way that you react to me

I wanna do something you can't imagine

Imagine, if it was a million me's talking sexy to ya like that

Ya think ya can handle, boy if I give you my squeeze

And I need you to push it right back

Baby show me, show me,

What's your favorite trick that you wanna use on me

And I'll volunteer...

And I'll be flowing, and going to go the distant place with nothing but shoes on me

Ohh baby...

[Ciara & Justin Timberlake]

All night showing, just you in the crowd

Doin' tricks you never seen...

And I bet that I can make ya believe

In love and sex and magic

So let me drive my body around ya

I bet you know what I mean

Cause you know that I can make you believe

In love and sex and magic

[Justin Timberlake]

Everything ain't what it seems

I wave my hands and I got you

And ya feel so fly, assistantin' me

But now is my turn to watch you

I ain't gonna stop you

If ya wanna grab my neck, talk sexy to me like that

Just do what I taught you, girl when I give you my heat

And I need you to push it right back

[Ciara]

Baby show me, show me,

What's your favorite trick that you wanna use on me

And I'll volunteer...

And I'll be flowing, and going to go the distant place
with nothing but shoes on me

Ohh baby...

[Ciara & Justin Timberlake]

All night showing, just you in the crowd

Doin' tricks you never seen...

And I bet that I can make ya believe

In love and sex and magic

So let me drive my body around ya

I bet you know what I mean

Cause you know that I can make you believe

In love and sex and magic

This is the part where we fall in love (Ohh, suga...)

Let's slow it down, so we fall in love (Ohh...)

But don't stop when you give it to me

Ciara...

All night showing, just you in the crowd

Doin' tricks you never seen...

And I bet that I can make ya believe

In love and sex and magic

So let me drive my body around ya

I bet you know what I mean

(You know what I mean)

Cause you know that I can make you believe

In love and sex and magic

All night showing, just you in the crowd

Doin' tricks you never seen...

And I bet that I can make ya believe

In love and sex and magic

So let me drive my body around ya

I bet you know what I mean

(You know what I mean)

Cause you know that I can make you believe

In love and sex and magic

Yeah...

Uh, uh, uh...

Yeah, I see you on the floor

Get it girl

Love, sex and magic

I see you on the floor

You know what I mean

Get it girl

I bet that I can make you believe

In love and sex and magic, ow!

I See you on the floor

Get it girl
