I hope I don't make you mad, with what I'm 'bout to say  
boy  
Here we are once again, and I'm havin' second  
thoughts boy  
I'm not messin' with yo head, but I changed my mind  
boy  
I don't know why I'm here, the same time I want you  
near

If you want me to leave, I will understand  
See I will just have to respect your wishes boy  
Cus if I stay ain't no tellin' what may happen boy  
Although you look so good to me, it's best that I leave

I'm scared of being next to you, because of what I think  
I might do  
Boy you're turnin' me on right now  
I can't get down like that right now  
I don't want to disturb the flow, this is not my M O  
Hold up, wait a minute, movin' too fast  
I want some like this here to last

Don't say no baby, not right now baby  
I want you to be my lady, you got me goin' crazy

Well I guess I'll stay for a minute, then I'll have to go  
boy  
This moment is so temptin', right now it's not what I  
want boy  
Maybe if we just embrace, with a simple kiss, boy  
But that'll only make things worse  
Hope I'm not gettin' on your nerves boy

I just wanted to be right for the both of us  
When you don't have to say a thing to make me  
comfortable  
Boy, you make me so weak when you look at me  
Right now I'm a little confused, I think it's best that I  
refuse

I'm scared of being next to you, because of what I think  
I might do

Boy you're turnin' me on right now  
I can't get down like that right now  
Don't want to disturb the flow, this is not my M O  
Hold up, wait a minute, movin' too fast  
I want some like this here to last

Supposed to be playin' cards and watchin' a movie  
But we keep lockin' eyes boy, now why you tryin' to  
tease me  
This room is gettin' heated could you open up a window  
I think that I should go now, 'cause I can't take this no  
more

I'm scared of being next to you, because of what I think  
I might do  
Boy you're turnin' me on right now  
I can't get down like that right now  
I don't want to disturb the flow, this is not my M O  
Hold up, wait a minute, movin' too fast  
I want some like this here to last

I'm scared of being next to you, because of what I think  
I might do  
Boy you're turnin' me on right now  
I can't get down like that right now  
Don't want to disturb the flow, this is not my M O  
Hold up, wait a minute, movin' too fast  
I want some like this here to last

I'm scared of being next to you, because of what I think  
I might do  
Boy you're turnin' me on right now  
I can't get down like that right now  
Don't want to disturb the flow, this is not my M O  
Hold up, wait a minute, movin' too fast  
I want some like this here to last
