Baby take a ride

I just wanna vibe with you, you

You looking for the real, baby here I is

With the Remix

Now listen

I've been single for a while now

And I've been kind of lonely

But I'm looking for somebody to talk to,

Love me, someone who can hold me,

Is that you?

[Ciara]

I'm looking for somebody I can call boo

Looking for the only one that I can give my all to

Tell me if it's you, you, you

What you wanna do, do, do Kells

[R.Kelly]

You don't need to call nobody else babe,

Cause Kells is to the rescue

If you need to be touched

Ill bless you(bless you), kiss you(kiss you), tease

you(tease you)

Im gonna slave anything for you, No question No Doubt

Im that thug you want in your bedroom,

Girl it's to put it down

Got cash got cars got clothes

So lonely when I roll

Thats why I did this C and K callabo

Im about to take it to the old school

Girl my body is calling you

Ain't nothing on this planet I wont for you

Gonna pick you up in my Phantom, babe

Hit the club and go jukeing, babe

Drink a lil something sing a lil something

And roll out, babe

Lets get up on a room, gonna make you scream like

Michael Jackson[EFFFFFFE,EEEEEEEEEEEE]

See Lets make that move

[Ciara/R.Kelly]

This mood is so right

It feels so right

You can be my prince

My knight

You can be my superman

Save me here I am

Im for real

'Cause baby

There's nothing I won't do

To spend my life with you

I'll give my all to you

I promise that I will never lie to you girl

[R.Kelly]

With this Remix C and Kells so wicked

So go and get your tickets

I'ma hit it like it was your birthday

In my room with toasted sex as if we're about to
celebrate

See will it be you, you, you

What you wanna do, do, do

Make your move

[Ciara]

Call me mamma ill spoil you like a baby

You got me thinking bout' ya, dreaming bout ya'

Crazy

What you wanna do, do, do

It's just me and you, you, you

What you doin

[R.Kelly]
