[Intro]

Catch me in the mall
You know I buy it out.
G5 planes, yeah I fly it out.
Nigga's in the back look like Lex
In them 28's and
Oh you can't get her if
Ain't got plenty cake.
ATL Georgia... booty's
Look like this size
23 waist, pretty face
Thick thighs.

[Ciara]

I can do it big
I can do it long
I can do whenever or however
You want

I can do it up and down
I can do it circles
To him I'm a gymnast
This ring is my circus

I market it so good
They can't wait to try I I I I
Me e e a a
I work it so good
Man, these nigga's
Trying to buy I I I I me

They love they way I ride it (x3)
They love the way I ride the beat
How I ride the beat, I ride it

They love they way I ride it (x3)
They love the way I ride the beat
Like a motherfucking freak

And I won't stop, don't stop.

Get it! Get it!
Imma pitch down the middle
Baby hit it! hit it!

I do it to him like it's mmm mmm good
Handle my business, like a big girl should
1 o'clock, 2 o'clock
3 o'clock, 4...
5 o'clock, 6 o'clock
Baby give me more.

Pick me up, pick me up.
You are my Ducati, I'm all up your frame
Baby say my name.
Show you how get ummm,
Show you how to do it.
Left hip, right hip
But your back into it ohhhh

I market it so good
They can't wait to try I I I I
Me e e a a
I work it so good
Man, these nig**s
Trying to buy I I I I me

He love they way I ride it (x3)
He love the way I ride the beat
Ride ride the beat, How I ride it.

He love they way I ride it (x2)
He love the way I ride the beat
Like a motherfucking freak

[Ludacris]

She ride it like a roller-coaster.
Soon as I get her to the top she screams.
I put her out like a light,
She'll be out for the night
When her head hit the pillows sweet dreams

Wake her up about 30 minutes later,
Calling me the terminator, let's go again
Red zone, imma get her first down
Call me luda true
Breeze I throw it in.
Touch down, he scores,
Ludacris the MVP

With a rack like that and a back like that

Cici better CC me.
Cause them legs just keep on going
So I gotta put her to bed.
Let the 808 thump, and the go bump
Cause she ride it like a thoroughbred

He love they way I ride it (x3)
He love the way I ride the beat
Like a motherfucking freak

Ohh baby baby baby
Do me like you up when I'm up
When I'm down, when I'm down
Ohh baby baby baby
You can stand to look away when
I'm whirling this around.

Oh baby bay you like it
Once it get up and down.
Oh baby he love it when
I twirl this thing around

He love they way I ride it (x3)
He love the way I ride the beat
Like a motherfucking freak
