Yo French I wanna hear that  
Uh it's your girl Ciara, I like that uh  
O here's another one, o yea another one  
Uh-huh uh-huh uh uh uh uh, uh-huh uh-huh yea

So off the chain I can't explain the things you do  
You got me buggin', I'm into you so into you  
I know it's you and there's no doubt about it  
The way you ball is out of control, the game you talk is  
whoa whoa  
So wicked I'm wit it, uh feelin' you yo and that's what's  
up

Everything I want boy you know you got it  
Lookin' my way yo, I just might and holla  
Oh oh, you look so good boy I wanna know  
Can I roll wit you? Can I roll wit you?

The baggy jeans the way you bling  
Those ain't the things that makes me want you  
I like you 'cuz the thug in ya's so real wit yours  
And you keeps it gangsta

Everything I want boy you know you got it  
Lookin' my way yo, I just might and holla  
Oh oh, you look so good boy I wanna know  
Can I roll wit you? Can I roll wit you?

You holdin' guns with me  
Don't act like you don't want to see what you need  
Don't need to be this way, I take it easy call me if you  
need me  
Let me be your baby treat me like a lady

'Cuz I'm the kind of girl that will die for you  
No matter what there ain't nowhere I won't go for you  
And that's for sho, I can be your baby  
Treat me like a lady, let me be your girl slim sugar

Everything I want boy you know you got it  
Lookin' my way yo, I just might and holla  
Oh oh, you look so good boy I wanna know

Can I roll wit you? Can I roll wit you?

Everything I want boy you know you got it  
Lookin' my way yo, I just might and holla  
Oh oh, you look so good boy I wanna know  
Can I roll wit you? Can I roll wit you?

Here's another one yea another one  
Here's another one yea another one  
Uh uh uh uh
