Ah  
Yeah

It's been a long while  
I think I need to shut 'em up  
Yeah they talkin' too much  
I need to shut 'em up  
I don't listen to the rumors  
I just shut 'em up  
I work hard, it's the only way  
I shut 'em up

When I pull up to the club  
In my Jeep truck, acting like a supermodel  
Better shut 'em up  
I hopped out, all my girls  
Yeah, we look bad  
By the end of the night  
We gonna shut 'em up

Oh, what's that you say?  
Can you speak any louder?  
The more they hate  
The more they givin' me power  
Now watch me [?]  
Show you how I do  
I bet you won't try me  
I bet you won't try me 'cause

I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
When they wanna talk shit  
Just shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)

Baby, don't mad  
Just shut 'em up

I don't worry about a hater

'Cause I shut 'em up  
Listen up, I'ma show you how to  
Shut 'em up  
Yeah, work that shit  
Don't give 'em no lip  
Keep doin' what you doin'  
That'll shut 'em up

When I pull up to the spot  
In my drop top  
Like a five-star chick  
I'ma shut 'em up  
I can make your jaw drop  
When I make my booty pop (When I make my booty  
pop)  
I shut 'em up

Oh, what's that you say?  
Can you speak any louder?  
The more they hate  
The more they givin' me power  
Now watch me [?]  
Show you how I do  
I bet you won't try me  
I bet you won't try me 'cause

I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
When they wanna talk shit  
Just shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)

Baby, don't mad  
Just shut 'em up

They say I'm Hollywood  
They think that I'm too good  
Just handling my business  
Where I'm livin', it really don't make a difference  
Yeah, they told me one day I'm gonna make it  
And if you really want it, girl you better take it  
I don't have to respond to you  
Don't gotta prove nothing to you

I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
When they wanna talk shit

Just shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)

Baby, don't mad  
Just shut 'em up

Oh, what's that you say?  
Can you speak any louder?  
The more they hate  
The more they givin' me power  
Now watch me [?]  
Show you how I do  
I bet you won't try me  
I bet you won't try me 'cause

I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
I-I-I, I-I shut 'em up  
When they wanna talk shit  
Just shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)  
I-I-I, I-I shut 'em up (Shut 'em up!)

Baby, don't mad  
Just shut 'em up

Shut 'em up  
(I-I) Shut 'em up (Shut 'em up!)  
(I-I-I) Shut 'em up

Baby, don't mad  
Just shut 'em up
