I cannot explain this feelin'
And it's got me scared
I can feel you touchin' me
Even when you're not here

Your lips on my neck, oh baby
Your hands in my hair
Then I look around and see
There's nobody here but me
(Baby)

And I know I'm not crazy
It's the way you make me feel
(When I reminisce, reminisce, I can picture it, oh)

I know it's all in my mind
But, baby, it feels so real
(And I'm so gone, boy, you got me on, baby)

When you touch me
When you kiss me
Supernatural
(Oh)
So supernatural
(Oh)

When we make love
(Make love)
I'm so in love
(So in love)
Supernatural
(So supernatural)

Finger tips on the small of my back
Boy it gives me chills
Squeeze me 'til I can barely breathe
I'll succumb to your will

Ooh, I feel you just like the wind
As you watch over me
But then I look around and see
There's nobody here but C, baby

And I know I'm not crazy
It's the way you make me feel
(When I reminisce, reminisce, I can picture it, oh)

I know it's all in my mind
But, baby, it feels so real
(And I'm so gone, boy, you got me on, baby)

When you touch me
When you kiss me
Supernatural
(Oh)
So supernatural
(Oh)

When we make love
(Make love)
I'm so in love
(So in love)
Supernatural
(So supernatural)

Ooh, I miss you, wanna kiss you
I need your love when I'm all alone
I'm thinkin' about your touch
And I'm so gone, boy, you got me on

When you touch me
When you kiss me
Supernatural
(Oh)
So supernatural
(Oh)

When we make love
(Make love)
I'm so in love
(So in love)
Supernatural
(So supernatural)
