"The Tittle"

Verse 1:
I like your style, the way you dress
The way you smell
It's so intoxicating I can't help myself
There's no one else
That makes me feel the way you make me feel.
Give me your loving, give me your loving all you got
Cause I'm gonna give you, I'm gonna give you all of mine.
Whenever you ready baby I'm ready to be yours
Just to let you know, this is what I want

Hook: (2x)
I want the title (title)
I wanna be known as your girl (girl)
I wanna kick it with you like you're best friend (friend)
So let a girl come in your world (world)
I wanna be your lady (the title)

Bridge:
Gotta let me know if you want me to be the one,
Baby let me know if you want me to be the one.

Verse 2:
And It's something about the way (that you talk)
Everytime you say my name (I can't talk)
Ohh boy you know you got me (speechless) (say it again)
And boy you know you got me (speechless)
Let the music stop.
Give me your loving, give me your loving all you got
Cause I'm gonna give you, I'm gonna give you all of mine.
Whenever you ready baby I'm ready to be yours
Just to let you know, this is what I want

Hook: (2x)
I want the title (title)
I wanna be known as your girl (girl)
I wanna kick it with you like you're best friend (friend)
So let a girl come in your world (world)
I wanna be your lady (the title)

Bridge: (2x)
Gotta let me know if you want me to be the one,
Baby let me know if you want me to be the one.
