Come enjoy the life  
Baby take a ride  
I just wanna find you, you  
Baby you and I can have a good time  
Tell me what you like  
Oo oo

[Spoken]  
Now listen  
I've been single for a while now  
And I've been kind of lonely  
But I'm looking for somebody to talk to,  
Love me, someone who can hold me,  
Is that you?

I'm looking for somebody I can call boo  
Looking for the only one that I can give my all to  
Tell me if it's you, you, you  
What you wanna do, do, do  
Make your move  
You can be my teacher  
I'll do homework  
You can give me extra credit, baby  
I'll do more work  
What you wanna do, do, do  
Now it's me and you, you, you  
The mood

This mood is so right  
It feels so right  
You can be my prince  
My knight  
You can be my superman  
Save me here I am

'Cause baby  
There's nothing I won't do  
To spend my life with you  
I'll give my all to you  
I promise that I will never lie to you boy  
There's nothing I won't do  
To spend my life with you

I'll give my all to you  
I promise that I will never lie to you boy

You and me together  
Picture perfect  
I'll spend all my money all my time  
Because you're worth it  
It's just me and you, you, you

What you wanna do, do, do  
Make a move  
Call me mama, spoil you like a baby  
Thinking about you, dreaming about you  
Got me going crazy  
What you wanna do, do, do  
Now it's me and you, you, you  
The mood, yeah

This mood is so right  
It feels so right  
You can be my prince  
My knight  
You can be my superman  
Save me here I am

Baby  
There's nothing I won't do  
To spend my life with you  
I'll give my all to you  
I promise that I will never lie to you boy  
There's nothing I won't do  
To spend my life with you  
I'll give my all to you  
I promise that I will never lie to you boy

[Spoken]  
I mean everything that I say  
From the bottom of my heart  
I will never, never ever hurt you  
I open my heart

Open my heart  
Give it to you  
Tell the whole world that I'm in love with you  
Whatever you want  
Baby I'll do  
I know I don't want nobody else but you

There's nothing I won't do  
To spend my life with you  
I'll give my all to you

I promise that I will never lie to you boy  
There's nothing I won't do  
To spend my life with you  
I'll give my all to you  
I promise that I will never lie to you boy
