You know I don't play
So if you wanna play, better bring your 'A' game
I'm looking for a BAWB who know how to maintain
if you wanna win my heart, don't be in it for the fame
I'm down for whatever yeah, you know that I'm a ridah
and if he got my back he know that I'm right there
beside him
and if I ever need it you da one that I be dialin' (yeah)
Ohhhh where you at I'm tryin to find ya.

You know Imma stay down, always 'round, through the
highs, through the lows, down to ride anyway it goes
(go, go, go, oh oh ohh)
Do you know I'm hard to find but I'm right here, even
when I'm far, I'm always near, all you gotta do is ...

Turn on the lights, I'm lookin' for you too
I heard you got composure and you never lose your
cool
You treat me like a goddess he would never treat me
wrong
And I know that when I call him ain't nothin' that he
won't do

Turn on the lights,
I'm lookin' for ya, I'm lookin' for ya, I'm lookin' for ya
So turn on the lights,
I'm lookin' for ya, I'm lookin' for ya, I'm lookin' for ya
So turn on the lights.
