Feat. Chris Brown

Ahh, yeah,
Didn't thin you'd expect
This one right?
C Breezy
Excuse me Mr. DJ
You need to turn it up
This song is fire
I'm about to burn it up
You ready, I'm ready
Go right to the left
If you get tired
You fired
So stay on track
Imma holla back

I'm too beautiful to be alone
Take me to a place
That only we know

Wats the deal bout
What ya lookin for
Know what ya need
Baby come on

Be my DJ kinght
Won't ya come n save my life
You turn me on (on)
Me on (on)
Me on (on)
But ya need a raw record
With somethin unexpected
To keep me goin (goin)
Me goin (goin)
Me goin (goin)

I want you to
Turn the tables
Turn the tables
Turn the tables on me
Turn the tables

Turn the tables
Turn the tables on me
Turn the tables
Turn the tables
Turn the tables on me
Turn the tables
Turn the tables
Turn the tables on me

(Rewind)

Runnin' back I put you in a trance
Spinnin' like I record
I'm in your hands
My selection makes you wanna dance yeah
Before ya leave I have one request

Be my DJ kinght
Won't ya come n save my life
You turn me on (on)
Me on (on)
Me on (on)
But ya need a raw record
With somethin unexpected
To keep me goin (goin)
Me goin (goin)
Me goin (goin)
