Wake up, no make up, wake up, no make up
Wake up, no make up and turn up
Wake up, no make up, wake up, no make up
Wake up, no make up and turn up

Ma bag, Prada bag, I don't even know
Louie on, jayz on, I don't know what goes
I don't know what goes
Fitty on a presidential rollie and it's gold
Money's not a problem, I get money by the loads
Milly never pity, murcielago on the glows
Turn up, I'm swerving on these hoes
Turn up, I be thugging on these hoes
I'm about to put it on you
Now don't you say I didn't warn you
You are the way alright

You love the way I turn up, turn up, turn up
Turn up, turn up, turn up, oh
Wake up, no make up, wake up, no make up
Wake up, no make up and turn up
Wake up, no make up, wake up, no make up
Wake up, no make up and turn up

Been around the world yeah I'm international
Really, really, really, really, you're a pin flow
Breaka needs, shoppin needs, beggin toki
Everything I want
I'm about to put it on you
Now don't you say I didn't warn you
You are the way alright

You love the way I turn up, turn up, turn up
Turn up, turn up, turn up, oh
Wake up, no make up, wake up, no make up
Wake up, no make up and turn up
Wake up, no make up, wake up, no make up
Wake up, no make up and turn up.
