[Intro: Ciara & Future]

You go  
Do you go?  
Where you go?  
Go go go yea  
Where you go go go go go go go go  
Where you go?  
Where you go?  
Where you go?

[Hook: Future & Ciara]

It was time when I seen you happy  
Where you go?  
It's been a minute since I've seen you smile  
Yea  
Where you go?  
Where you go-o-o-o?  
Where you go?  
Where you go?  
Where you go-o-o-o?  
Where you go?  
Where you go?

[Verse: Ciara]

There's a light in the sky  
It was brightened by your face  
I could see it in your eyes  
Then it went right away  
Yea

So don't hold your feelings in  
You can trust me as a friend  
Whatever you need to make it right  
I'mma be standing right by your side

[Pre-Hook: Ciara]

My love it goes on and on on  
Every single night and day  
I'mma be here for you on and on on  
Baby can you tell me? (Tell me)  
Where you go?

[Hook: Future & Ciara]

It was time when I seen you happy  
Where you go?  
It's been a minute since I've seen you smile  
Yea  
Where you go?  
Where you go-o-o-o?  
Where you go?  
Where you go?  
Where you go-o-o-o?  
Where you go?  
Where you go?

[Verse: Ciara]

Don't wanna see, don't wanna cry, don't wanna hurt no more  
Don't have no fear, I got that cure, baby my love is pure  
I need you now now now (I need you)  
I'm stayin down down down

[Pre-Hook: Ciara]

On and on on  
Every single night and day  
I'mma be here for you on and on on  
Baby can you tell me? (Tell me)  
Where you go?

[Hook: Future & Ciara]

It was time when I seen you happy  
Where you go?  
It's been a minute since I've seen you smile  
Yea  
Where you go?  
Where you go-o-o-o?  
Where you go?  
Where you go?  
Where you go-o-o-o?  
Where you go?
