I hope I don't make you mad
With what I'm 'bout to say boy?
Here we are once again
And I'm havin' second thoughts boy

I'm not messin' with your head
But I changed my mind boy
I don't know why I'm here?
The same time I want you near

If you want me to leave I will understand
See, I will just have to respect your wishes boy
'Cuz if I stay ain't no tellin', what may happened boy?
Although you look so good to me its best that I leave

I'm scared of bein' next to you
'Cuz of what I think I might do
Boy you turn me on right now
I can't get down like that right now
Don't want to disturb the flow
This is not my M O
Hold up, wait a minute
We're movin' way too fast
I want some like this here to last

Don't say no, baby
Not right now, baby
I want you to be my, lady
You got me goin' crazy

Well, I guess I'll stay for a minute
Then I have to go boy
This moment is so temptin'
Right now it's not what I want boy

Maybe if we just embrace
With a simple kiss boy
But that'll only make things worse
Hope I'm not gettin' on your nerves boy

I just want
(And I just want)

To be right for the both of us
When you don't have to say
A thing to make me comfortable

Boy, you make me so weak
When you look at me
Right now I'm a little confused
I think its best that I refuse

I'm scared of bein' next to you
(So scared)
'Cuz of what I think I might do
Boy you turn me on right now
I can't get down like that right now
I don't want to disturb the flow
(Don't want to disturb the flow)
This is not my M O
Hold up, wait a minute
We're movin' way too fast
I want some like this here to last

We'll be playin' cards
Or watchin' a movie
We keep lockin' eyes boy
Now why you tryin' to tease me?

This room is gettin' heatin'
Want you open up a window
I think that I should go now
'Cuz I can't take this no more

I'm scared of bein' next to you
'Cuz of what I think I might do
Boy you turn me on right now
(I think I might do)
I can't get down like that right now
(Over)
Don't want to disturb the flow
This is not my M O
Hold up, wait a minute
We're movin' way too fast
(Wait a minute)
I want some like this here to last

I'm scared of bein' next to you
'Cuz of what I think I might do
Boy you turn me on right now
I can't get down like that right now
Don't want to disturb the flow
This is not my M O
Hold up, wait a minute

We're movin way too fast
I want some like this here to last

I'm scared of bein' next to you
'Cuz of what I think I might do
Boy you turn me on right now
I can't get down like that right now
Don't want to disturb the flow
This is not my M O
Hold up, wait a minute
We're movin' way too fast
I want some like this here to last
