Yeah, yeah, yeah, yeah, yeah, yeah, yeah!  
Feelin' hundred, feelin' hundred,  
Nothing go I should!

This time we're havin' a nice time,  
Mood is good and you feel fine,  
Your liveliness is got you like wildfire (fire, fire!)  
Your goings on as if there's a riot, riot

In my rock, rock, rock, rock, rock, rock, rock to reggae  
rhapsody  
In my choke, choke, chokey, choke, choke choke to  
reggae rhapsody  
In my skank, skank, skank, skank, skank, skank to  
reggae rhapsody  
In my rock, rock, rock, rock, rock, rock, rock us to  
reggae rhapsody

One dread done tell you better lively up yourself.  
Another dread say you better check your moneymaker  
But I'm a-tellin you come and rock with me,  
Come and rock with me, let me take you higher.

Come and rock, rock, rock, rock, rock, rock, rock to  
reggae rhapsody  
Come and choke, choke, chokey, choke, choke choke  
to reggae rhapsody  
Go and skank, skank, skank, skank, skank, skank to  
reggae rhapsody  
I going rock, rock, rock, rock, rock, rock, rock us to  
reggae rhapsody

Rock! (echoes)

Feelin' good, feelin' good, feelin' fine!  
Wah-who!

Come and rock, rock, rock, rock, rock, rock, rock to  
reggae rhapsody  
Come and choke, choke, chokey, choke, choke choke  
to reggae rhapsody

Go and skank, skank, skank, skank, skank, skank to  
reggae rhapsody  
I going rock, rock, rock, rock, rock, rock, rock us to  
reggae rhapsody

Yeah,  
I going rock  
I going rock

Rock, rock, rock, rock, rock reggae rhapsody  
Rock, rock, rock, rock, rock reggae rhapsody

Rock, rock, rock, rock, rock  
Rock, rock, rock, rock, rock
