"Rock Your Baby"

Sexy.
Woman, take me in your arms
Rock me, baby
Woman, take me in your arms
Rock me, baby

There's nothing to it
Just say you want to do it
Open up your heart
And let your lovin' start!

Woman, take me in your arms
Rock me, baby
Ooh-ooh-ooh, Woman, take me in your arms
Rock me, baby

There, hold me tight
With all your might
Now, let your lovin' flow
Real feelin' slow!

Woman, take me in your arms
Rock me, baby
Ooh-ooh-ooh, Woman, take me in your arms
Rock me, baby

Oh-oh.

Oh, oh, Woman, take me in your arms
Rock me, baby
Oh oh oh, Woman, take me in your arms
Rock me, baby

Rock me and rock me.
Rock me and rock me.
Rock me and rock me.
