Every man has a right to live,
Love is all that we have to give,
Together we'll start by the wind and survive
And together we fight just the state or ride

Struggling man has got to move, (move)
Struggling man, no time to lose,
I'm a struggling man,
And I've got to go!

As the sun lights the day, so the moon lights the night,
Struggling man keeps reachin' for the higher light
As we plan for tomorrow, we live for today,
Like the flowers, we bloom and then, later fade away.

Struggling man has got to move,
Struggling man, no time to lose,
I'm a struggling man,
And I've got to go! (go)

Struggling man has got to move, (move, yeah)
Struggling man, no time to lose,
I'm a struggling man,
And I've got to go!

Struggling man, struggling man,
I've got to go, yeah,
Struggling man, struggling man,
Gotta go! (go, go, go)
