Truly, you came on time.
Truly, you came on time.
Truly, you came on time.
I'll make you a woman...tonight!

Don't be nervous,
I know you'll try.
I will not harm you,
Although you'll cry.

Still be sweet day,
We live life warmly
Sweet day;
We live life warmly.

I'll make you a woman...tonight!

Tonight!

Don't get nervous,
I know you'll try.
I will not harm you,
Although you'll cry.

It will be sweet day,
We live life warmly
Sweet day;
We live life warmly.

I'll make you a woman, truly I will...tonight!

Oh oh oh oh, truly, you came on time.
I said truly, you came on time.
Finally, you came on time.
Truly, you came on time.

Oh oh oh oh!

Truly (echoes) Unruly!
Truly, (skanking)
