There must be some place I can sleep
Maybe you'll just let me lie down
I'm drunk again it's been since then
If dirty lush, your staggering crush on me

Can I be someone else but me (Can I be someone else
but me)
Oh I'm so sick of myself now (Oh I'm so sick of myself
now)
And I'm still here
I never left
Can't stand the way unless you make me feel
No one cares, no one cares

I can't eat, I can't sleep, I can't live without
I can't breath, I can't see, I can't live without
Wanna be, wanna be, wanna live without
I can't feel, I can't feel, I can't live without you

There must be some place I can sleep
Maybe you'll just let me lie down
I'm drunk again it's been since then
If dirty lush, your staggering crush on me

No one cares, no one cares

I can't eat, I can't sleep, I can't live without
I can't breath, I can't see, I can't live without
Wanna be, wanna be, wanna live without
I can't feel, I can't feel, I can't live without

I feel I've waited so long
I plead myself to please you
I feel I've waited so long
Just for a breath of freedom

I can't eat, I can't sleep, I can't live without
I can't breath, I can't see, I can't live without
Wanna be, wanna be, wanna live without
I can't feel, I can't feel, I can't live without
I can't eat, I can't sleep, I can't live without
I can't breath, I can't see, I can't live without

Wanna be, wanna be, wanna live, wanna be
