Dancing with shadows
Thinking obscene
Fiery kisses
Is this a dream?
A dreammmm...

Fingers'll touch him
Know what it seem
I'm good at breathin'
And then I scream
I screaaamm...

Please god
Let it go, let it go
I will never change, never change
Please goddd
[x2]

Let it go!
Let it go!
Let it go!

What's my obsession?
Why can't I leave?
Show me your face now
And I will believe
I will believe...

Please god
Let it go, let it go
I will never change, never change
Please goddd
[x2]

God is in the mirror
God is in my dreams
God is all around you
Yo, god is mean
God is in the shadows
Thinking obscene
Fiery kisses

Is this a dreeeam?!

Please god
Let it go, let it go
I will never change, never change
Please goddd
[x2]

Let it go!
Let it go!
Let it go!
Let it!
