Friends for seasons
Friends for reasons
Brothers for life.

Friends for seasons
Friends for reasons
Brothers for life.

I live my life free of command
These are my friends
It's all I really have

I live my life free of command
These are my friends
It's all I really have

Friends for seasons
Friends for reasons
Brothers for life.

I never wanted it to be this way
I never had to try
Friends for seasons
Friends for reasons
Fuck that,
You're my brothers for life.

Friends for seasons
Friends for reasons
Brothers for life.

Friends for seasons
Friends for reasons
Brothers for life.

We die together
In numbers we stand
These are my brothers
They're all I really have
Born to die, we die together
In numbers we stand
These are my friends

They're all I really have.

Friends for seasons
Friends for reasons
Brothers for life.

I never wanted it to be this way
I never had to try
Friends for seasons
Friends for reasons
Fuck that,
You're my brothers for life.

I never wanted it to be this way
I never had to try
Friends for seasons
Friends for reasons
Fuck that,
You're my brothers for life.

I never wanted it to be this way
I never had to try
Friends for seasons
Friends for reasons
Fuck that,
You're my brothers for life.
