I should have known
That your wings were sewn
Fell down from his throne
Sins heavy as stone
You'll die alone

I'll break from the chains
Come down from the sky
Call me insane
But my life or yours
I'll break from the chains
Come down from sky
But my life or yours
I'd rather fucking die

I know you meant well
But your love is not kind
I bet burning in hell
Was not on your mind

Fly with me
To the place where angels go

I'll break from the chains
Come down from the sky
Call me insane
But my life or yours
I'll break from the chains
Come down from sky
But my life or yours
I'd rather fucking die

I'd rather spend and eternity in hell
Then go to heaven without you

I should have known
That your wings were sewn
Fell down from his throne
Sins heavy as stone
You'll die alone

To the place where angels go
