Damn this destiny
And damn this twist of fate
And damn it's 5 A.M.
And I'm still awake
You're haunting me
I know it's hypocrisy
But this is not easy
And this is not what we were supposed to be

So haunt me
You should know that I'll be
Sailing seas of regret
I can't listen to that CD anymore

To hell with irony
To hell with subtlety
Cause I don't have time
To mince words anymore
I was there
I'm crouched down in the hall
My ear up to the wall
I can hear you
Forgetting about me

So haunt me
You should know that I'll be
Sailing seas of regret
I can't listen to that CD anymore

Haunt me
Wasn't very easy
When he took you from me
And I can't listen to that CD anymore
Since you walked out my door

Was it certain death
When he took off your dress
When he finished your cigarettes

So haunt me
You should know that I'll be

Sailing seas of regret
I can't listen to that CD anymore

Haunt me
Wasn't very easy
When he took you from me
I can't listen to that CD anymore
