You blow your mind using cocaine
Let me blow mine using this big chain

Drugs are your scene
violence is mine
Nothing is clean
so we broke the line

Holding this chain may lock insane
While I've got beer running through my veins

See how my chain flies in the air
Honey you're looking at your nightmare.

D'you feel my chain around your neck

Com'on don't be such a nervous wreck . . .

We'll knock you down in the back street
When you don't watch where you put your feet

Good golly Miss Molly

When you're rockin' and rollin'
Com'on over baby
whole lotta shapin' goin' on
Com'on over baby
sure you can't go wrong
Com'on over
whole lotta shakin' goin' on
