Crash  
That was you and me  
We started out so innocently  
Shattered on the ground  
I hear the sound

Crash (crash)  
Ringing in my ears (crash)  
I still feel the sting of my tears

Someone, wake me  
I can't seem to break free

(Chorus)  
Go on get out of my head  
I'm on the wrong side of a parallel universe  
Am I alive or just dead  
I'm somethin' in the dark  
Livin' in a crash world

Hush  
Don't say one more word  
At this point the truth seems absurd  
But who we were  
Is gone forever

Crushed  
Underneath the fears  
Everything's so twisted and weird

Someone, save me  
I cant seem to break free

(Chorus)  
Go on get out of my head  
I'm on the wrong side of a parallel universe  
Am I alive or just dead  
I'm somethin' in the dark  
Livin' in a crash world

Crash world  
Yeah, yeah

Slow motion  
Devastation  
Should of seen it comin' but I couldn't do nothin'

Emotion  
Desperation

Someone, Save me  
I cant seem to break free  
(universe, universe, parallel universe)

(Chorus)  
Go on get out of my head  
I'm on the wrong side of a parallel universe  
Am I alive or just dead  
I'm somethin' in the dark  
Livin' in a crash world

Go on get out of my head  
I'm on the wrong side of a parallel universe  
Am I alive or just dead  
I'm somethin' in the dark  
Livin' in a crash world

Crash world  
Yeah, yeah  
Crash world
