You complete me  
Like air and water, boy  
I need thee  
And when I'm in your arms, I feel free  
Fallen  
My heads up in the clouds--in love  
I'm proud to say it loud  
Like an accident it happened  
Out of nowhere  
It just happened  
And I ain't mad at all

Because  
I've Fallen  
Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

I've fallen  
Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

Baby, to let you get away is crazy  
So I'm doing what it takes  
To make you pledge your love to me  
You see, cause I'm trying to be your lady  
Forever and ever, baby  
The picture wouldn't be the same  
If you weren't standing next to me  
Can't you see I've fallen

I've fallen

Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

I've Fallen  
Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

You complement me  
Not an accessory  
You're necessary  
You never could speak bad words 'gainst me  
You bear with me  
Security  
Are you here with me?  
You're my happiness  
My joy  
And it's all because of you, boy  
I look forward to the time  
I spend with you  
Whatever it is we do

Cause I've fallen for you, boy  
Yea, yea, yea, fallen  
I've fallen for you, fallen  
Head over heels for you  
So in love with you  
Love, Oh  
For you

I've Fallen  
Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

I've fallen (Touch me)  
Head over heels (Hold me)  
I've fallen

In love with you  
I've fallen (Whoo)  
And I can't get up (With you)  
Don't wanna get up  
Because of love

I've fallen (In love)  
Head over heels  
I've fallen (My joy)  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love

I've fallen  
Head over heels  
I've fallen  
In love with you  
I've fallen  
And I can't get up  
Don't wanna get up  
Because of love...
