In these eyes

More than words, more than

Anything that I've spoken

As the skies

Turn to gray, my heart's

Just about to crack open

So the story goes

There's somethin you should know

Before I walk away and I blow the ending

(Chorus)

I never wanna be without you

Oh no, here I go, now you know

What I feel about you

There's no runnin

Must've been wrong to doubt you

Oh no, there I go, no control

And I'm fallin so, now you know

Feel so light

Cravin oxygen

All this truse leaves me empty

Will you run

Can you handle it

Cuz I need you to tell me

Maybe this seems bold

But I'm hopin you'll stay for the happy ending

(Chorus)

I never wanna be without you

Oh no, here I go, now you know

What I feel about you

There's no runnin

Must've been wrong to doubt you

Oh no, there I go, no control

And I'm fallin so, now you know

No I won't look back when I tell ya what I think about you  
(yeah, yeah, yeah)

No I won't look back when I tell ya what I think about you  
(yeah, yeah)

So the story goes, yeah

You already know

So don't be a fool and go spoil the ending

(Chorus)

I never wanna be without you

Oh no, here I go, now you know

What I feel about you

There's no runnin

Must've been wrong to doubt you

Oh no, there I go, no control

And I'm fallin so, now you know

I never wanna be without you

Oh no, here I go, now you know

What I feel about you

There's no runnin

Must've been wrong to doubt you

Oh no, there I go, no control

And I'm fallin so, now you know
