In these eyes  
More than words, more than  
Anything that I've spoken  
When the skies  
Turn to gray, my heart's  
Just about to crack open

So the story goes  
There's somethin you should know  
Before I walk away and I blow the ending

(Chorus)  
I never wanna be without you  
Oh no, here I go, now you know  
What I feel about you  
There's no runnin  
Must've been wrong to doubt you  
Oh no, there I go, no control  
But I'm fallin so, now you know

Feel so light  
Cravin oxygen  
All this truse leaves me empty  
Will you run  
Can you handle it  
Cuz I need you to tell me

Maybe this seems bold  
But I'm hopin you'll stay for the happy ending

(Chorus)  
I never wanna be without you  
Oh no, here I go, now you know  
What I feel about you  
There's no runnin  
Must've been wrong to doubt you  
Oh no, there I go, no control  
But I'm fallin so, now you know

No I won't look back when I tell ya what I think about you  
(yeah, yeah, yeah)  
No I won't look back when I tell ya what I think about you

(yeah, yeah)

So the story goes, yeah  
You already know  
So don't be a fool and go spoil the ending

(Chorus)  
I never wanna be without you  
Oh no, here I go, now you know  
What I feel about you  
There's no runnin  
Must've been wrong to doubt you  
Oh no, there I go, no control  
But I'm fallin so, now you know

I never wanna be without you  
Oh no, here I go, now you know  
What I feel about you  
There's no runnin  
Must've been wrong to doubt you  
Oh no, there I go, no control  
But I'm fallin so, now you know
