Movie: A Cinderella Story

Artist: Hilary Duff

Song: Our Lips Are Sealed

(With Haylie Duff)

Can you hear them
They talk about us
Telling lies
Well that's no surprise

Can you see them
See right through them
They have no shield
No secrets to reveal

It doesn't matter what they say
In the jealous games people play-ay-ay-ay
Our lips are sealed

There's a weapon
Which we must use
In our defense
Silence

Spreading rumors
So far from true
Dragged up from the underworld
Just like some precious pearl

It doesn't matter what they say
In the jealous games people play ay-ay-ay
Our lips are sealed
Pay no mind to what they say
It doesn't matter anyway ay-ay-ay
Our lips are sealed

Hush my darling
Don't you cry
Quiet angel
Forget their lies

Can you hear them
They talk about us
Telling lies
Well that's no surprise

Can you see them
See right through them
They have no shield
No secrets to reveal

It doesn't matter what they say
In the jealous games people play ay-ay-ay
Our lips are sealed
Pay no mind to what they say
It doesn't matter anyway ay-ay-ay
Our lips are sealed
Our lips are sealed
Our lips are sealed
