Woke up, around a half past ten  
Can't believe that I'm late again  
Put down about a quart of caffeine  
To start my pulse and then,  
I grabbed my jeans off the floor  
Then I hit the door  
Just the same old same  
It goes to show, you never know  
When everything's about to change

[Chorus]

Just another day, it started out like any other  
Just another girl, who took my breath away  
Then she turned around  
She took me down  
Just another day that I  
Had the best day of my life

Can't say exactly what it was  
She's not the usual type  
She wore a cowboy hat  
With her red, Prada boots  
and a Gwen Stefani smile  
Then she pulled out a pen  
and surprised me when  
She wrote her number on my hand  
Then she was gone and from now on  
I'm gonna be a different man

[Chorus]

I guess it goes to show  
You never really know  
When everything's about to change

[Chorus X2]

The best day of my life  
The best day of my life  
The best day of my life
