When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love
When the evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love
I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love
The storms are raging on a rolling sea
Down the highway of regret
The winds of change are blowing wild and free
But you ain't seen nothing like me yet
There ain't nothing that I wouldn't do
Go to the ends of the earth for you
Make you happy, make your dreams come true
To make you feel my love

Goo Goo Dolls – Sympathy
Stranger than your sympathy
This is my apology
I'm killing myself from the inside out
And all my fears have pushed you out

I wish for things that I don't need
All I wanted
And what I chase won't set me free
All I wanted
And I get scared but I'm not crawling on my knees
Oh yeah everything's all wrong yeah
Everything's all wrong yeah
Where the hell did I think I was

Stranger than your sympathy
I take these things so I don't feel

I'm killing myself from the inside out
Now my head's been filled with doubt

It's hard to lead the life you choose
All I wanted
When all your luck's run out on you
All I wanted
You can't see when all your dreams are coming true

Oh yeah it's easy to forget yeah
You choke on the regrets yeah
Who the hell did I think I was

Stranger than your sympathy
All these thoughts you stole from me
I'm not sure where I belong
Now here's home and I'm all wrong

And I wasn't all the things
I tried to make believe I was
And I wouldn't be the one to kneel
Before the dreams I wanted
And all the talk and all the lies
Were all the empty things disguised as me
Yeah stranger than your sympathy
stranger than your sympathy
